

Pied Pipers End Race In Second Place

Hamlin's Pied Pipers blasted the Stamford Bulldogs 45-20 Friday night and trounced Anson 33 to 23 Tuesday night to clinch a firm grip on second place as the championship race in district 5-A East came to a close. At the same time the Throckmorton Tigers loped over Haskell Indians 66 to 38 to take over the throne-room virtually unscathed.

The Pied Pipers, in addition to second place honors, have the distinction of being the only team to defeat Throckmorton.

Billy Franks was highpoint man with 15 points in the Stamford game and Brad Rowland led in Tuesday night's game.

Meanwhile, the Roscoe Plowboys who have already clinched the championship of district 5-A West, fell to Merkel 23 to 17.

Roscoe and Throckmorton will clash for the best two out of three games for the district title. Place and time of the games has not been set. Followers of the cage sport say Throckmorton will take the series.

This week the Pipers will play in the Aspermont tourney.

FFA Stock Show Well Attended Here Saturday

A large number of people visited the FFA Livestock and Poultry Show held at labor camp last Saturday. Due to the cold weather, plans for a parade were cancelled. The exhibits of fine stock gave plenty of evidence that T. C. Blankinship and his group of vocational agriculture students are really working hard at the job of producing improved livestock.

In the fat beef steer division, T. W. Jean's "Toddy" was first, "Toughy", owned by Wesley Campbell was second and "Doc", Ray McCurley was third. Toughy, the largest exhibited, weighed 1,080 pounds.

First place in milk-fed steers (under 850) went to "FW" fed by Jack Willingham; second to Dale Brown's "Chubby" and third to "Curley", owned by Wesley Campbell. "Dynamite", belonging to Jack Willingham, was first in the over 850-pound group; second went to "Wolfy" Eldon Campbell, and third to Callen George's "Turner."

Jack Willingham carried off more honors with "FW" being judged Grand Champion and "Dynamite" Reserve Champion.

First place for sows went to Antonio Gonzales and second to Ralph Johnson. Raymond Scifers was first in the gilt division, Wesley Campbell, second and Kenneth Fudge, third. Gonzales' sow took the Grand Champion prize and Scifers the reserve.

In the fat hog group, under 150, Wesley Campbell won first, Raymond Scifers second, and Kenneth Holloway, third. Holloway won first in the over 150 class, Gene Westmoreland, second, and third to Lawayne Long. Kenneth Holloway had the grand champion and Wesley Campbell the reserve.

In the Jersey division, heifer under one year, first went to Bobby Caldwell, second to Weldon Townsend and third to Clifton Townsend. In heifers, 1 to 2 and over, not calved Kenneth Holloway took first, second Lawayne Long. Weldon Townsend by Weldon Townsend and third by exhibited the best milk cow, Lawayne Long, second and third. G. champion Jersey was taken by Holloway and reserve by Caldwell.

Ben Niedecken won first and second with his capons and Alton Jite was third. Kite also won the majority of classes in breeding chickens.

Most of the boys plan to exhibit at the show in Anson Saturday and about 18 entries have been made in the Abilene show later this month.

Former Pipers See "Little Doc" Admire Alamo Bowl Award

GOLDEN AWARD—Rudolph "Little Doc" Mobley, little All-American and the nation's leading ground gainer is shown receiving a gold wrist watch from Coach Warren B. Woodson while members of the undefeated and untied Hardin-Simmons football team looks on. The watch was given by the school's athletic department to members of the squad who helped in defeating Denver university, 20-0 January 20 in the Alamo Bowl in San Antonio. The player's name and the game score is engraved on the back while the wording "Alamo Bowl 1947" is on the face. Those admiring the award are: left to right, Al Milch of San Angelo, Co-captain Red Cleveland of Corpus Christi, Coach Woodson Henry Brown of Silvertown, Captain Al Johnson of Hamlin, Mobley, and Co-Captain elect Jack Ellison of Hamlin.

County Educators Urge Improved State System at Recent Meeting

Highlight of a recent county-wide meeting of school administrators and teachers, trustees, parents and other interested citizens held in Anson was the passing of a resolution urging Gov. Beauford Jester and members of the Fiftieth Legislature to provide sufficient means and maintain an adequate and permanent educational system for Texas.

Five points of the resolution were as follows:

1. A minimum salary of \$2,000 for a teacher with a college degree with substantial increases for additional college training and each year of experience.
2. At least a 55 per capita apportionment.
3. To provide tuition of at least \$6 for elementary school pupils and \$12 for high school pupils, and at least \$3 per month for transportation of each student.
4. To support the amendments in Teacher Retirement law as proposed by Texas Teachers association.
5. A teacher tenure law that will protect both the teacher and the school.

E. M. Connell, Anson school superintendent, welcomed the group of about 100 persons and Supt. I. R. Huchingson of Hamlin, headed the discussion on state legislation. County Superintendent Everett Beavers discussed school finance problems and Supt. H. P. Power of Avoca discussed teacher tenure and retirement.

The meeting was sponsored by the classroom teachers association of the county.

Crippled Children's Nursing Conference Set for February 17

A crippled children's nursing conference will be held by the orthopedic nurse from the Crippled Children's Division of the State Department of Health at the Jones County courthouse in Anson on February 17, it was announced by Vendell E. Clark of the welfare office. Hours will be 9-12 a. m. and 1-4 p. m.

Children known to the division will be sent letters to attend and parents of children not known are urged to attend and discuss future hospitalization.

Jones County Lake Proposed by CAA As Seaplane Base

It was learned here this week that Jones County would be the site of a proposed seaplane base if CAA recommendations were carried out. The Washington office of the Civil Aeronautics Administration has suggested that a seaplane base be built on Fort Phantom Hill Lake as a part of the three-year National Airport plan.

It was believed that a seaplane base should be provided in the area within the next three years and if the city of Abilene would agree to pay half the cost. Abilene secures much of its water supply from Fort Phantom Lake and controls the property, an important fishing and recreational center for a wide area.

Only other seaplane base recommended for West Texas was at San Angelo.

Stamford Given \$200,000 Facilities At Arledge Field

Improvements originally costing the government more than \$200,000 have been given the City of Stamford, according to the Stamford American.

Included in the list given the city at Arledge Field, southwest of Stamford, where hundreds of pilots were trained during the war, are three hangars, administration building, other buildings and much valuable equipment.

The land already belongs to the city and at the present time Cecil Gray, well-known flier of this section, is operating a flying school.

Elvis Wallace Getting Discharge From The Navy

Elvis Wallace, son of Mr. and Mrs. O. L. Wallace, arrived home Friday for a visit with his family.

He will receive his honorable discharge from the U. S. Navy March 21 after having served five years and ten months. Recently he was aboard ship in the San Francisco Bay.

The building foundations for Hamlin Memorial Hospital are completed and plumbers are now roughing-in all necessary water lines, which upon completion will permit the concrete floor to be laid. Plumbing for a building of this type is a major item, and will take considerable time. Sewer line, cold and hot water lines, electrical conduits, and gas connections must be well laid to guarantee satisfaction. The City Electric and Plumbing Company has this contract.

Two car load of 5x8x12 hollow burnt tile were unloaded and now all wall materials are on the ground. In the future, warm weather should help speed up the work. The only wood in the building will be the supporting partition walls and the roof. All walls will be steel lath and plastered.

Auto License Tags On Sale Locally

Auto license tags for passenger cars and trucks are now on sale in Hamlin at the Morgan Insurance Agency, according to Tax Assessor-Collector Elzy Bennett. This is for the convenience of people from this area and lightens the load on the county office.

Most Farm Product Find Stronger Market; Eggs, Proteins Down

Many southwest farm products found stronger markets last week, according to the Production and Marketing Administration, USDA, in a report received by the Herald. Eggs showed seasonal weakness, however, and some protein feed were down.

Wheat gained sharply again last week while oats and sorghums took the upward trail. Cash wheat at Fort Worth and Galveston was quoted \$2.32 to \$2.33 per bushel for No. 1 hard. No. 2 yellow milo brought \$2.52 to \$2.55 per hundred. Corn was little changed, but barely easier.

Cattle trading picked up at southwest markets last week and prices climbed higher with advances of \$1 to \$2 per hundred above prices a week ago. Common and medium steers and yearlings realized \$12 to \$17 at Houston while medium and

Fred Smith Chosen President of Local C of C Tuesday

Fred Smith, manager of Rockwall Bros. Lumber Company, was elected president of the Chamber of Commerce in a meeting held Tuesday morning. The four new directors were installed.

Plans were discussed for a rat campaign to rid the town of these pests, and definite plans will be announced shortly.

Bar Billies of a new local industry which will utilize farm products was also discussed.

Another meeting of the board will be held Tuesday morning.

Hitson School To Consolidate With Hamlin

Residents of the Hitson Common School District of Fisher County, seven miles west of Hamlin, voted 38 to 21 in an election held Saturday, to consolidate with the Hamlin Consolidated Independent School District. In Hamlin the 25 vote, polled were unanimously for consolidation.

Saturday's balloting marked the third time in the past year that the Hitson had tried to join another district. In the first election Hitson rejected consolidation with Hamlin, 28 to 14 and in the second attempt voters recorded a 25-25 tie to join Rotan district.

Hitson is the seventh district to join Hamlin since last April 3 and Hamlin is now one of the largest school districts in Texas with an area of 173 square miles and a scholastic population of 1,105. About 38 students reside in the Hitson district.

Two other districts are said to be considering consolidation with Hamlin.

More Consolidation

As far as this area is concerned the "little red school house" is beginning to be a thing of the past. The Jones County Commissioners Court has recently ordered an election in Stamford and Pleasant Valley for February 28 to decide upon consolidation with Stamford. Other districts considering consolidation with Stamford are Bunker Hill, Plainview and Swenson. Corinth district will probably be divided between Stamford and Anson. In Fisher County Eskota will vote to consolidate with Trent.

Lone Star Aviation Schools, a concern already operating flying schools at Sweetwater, Snyder and Albany, started operations at the newly-designated Hamlin Municipal Airport last Saturday. Two Piper Cubs are being used at present to give instructions to the 12 students who have already enrolled.

R. M. (Chunk) McCurdy, a Hamlin boy is manager of the Sweetwater school, has been completing local arrangements. He announced Monday that J. R. Elliott, also a local boy, and veteran flier of the last war, would be manager and instructor here.

Elliott states that a great deal of interest is being shown and that 30 to 40 students may be using the field soon. The field, which has been leased by the city Lone Star, has four runways approximately 3,000 feet long that can be extended. They are located north-south, northeast-southwest, northwest-southeast and east-west, and are 100 feet wide.

Courses are available in private, commercial, instructor rating and instrument flying. They are open to all individuals, and not restricted to GI training, it was said.

The city has moved in a hutment from Camp Barkley which will be made into an office and classroom. Lone Star will erect a four-plane hangar as soon as possible. Butane gas has been installed by Lewis Wheat & Son and Lovel Stell has a contract to install and furnish aviation gasoline.

Elliott extends an invitation to all interested persons come out to the field on the Aspermont highway any time. A direct road to the field will be built later. Larger planes will brought here as students progress.

Union Prayer Service Here Next Wednesday

An interesting program has been planned for the cooperative prayer service to be held next Wednesday, February 19, beginning at 2:30 at the First Methodist Church.

Most of the churches of the town have pledged their support and representatives will have part on the program. Dr. Will C. House, pastor of the Methodist Church, and Rev. John H. Osteen, pastor of the First Baptist Church, will be the main speakers on the subject of "Peace" with civic problems to be discussed also. Special prayers will be offered by Rev. Alice Harrell, of the Four Square Church, and Rev. Paul Joiner of the Assembly of God Church.

Funeral Services Held Saturday for Mrs. G. W. Higdon

Final rites for Mrs. G. W. Higdon, 48, were held Saturday afternoon at the Nazarene Church with Rev. J. T. Crawford and Rev. Alice Harrell officiating.

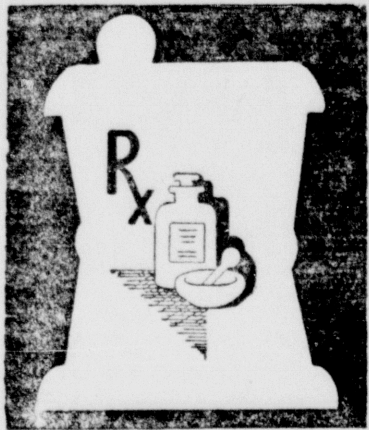

Mrs. Higdon passed away Friday morning after an illness of a few years.

She was born October 13, 1898, the daughter of Mr. and Mrs. C. C. Penion, at Wolfe City.

She is survived by her husband; four children, Mrs. Ruth Cook, Groverton, Mrs. Jewel Howell, Yantis, Mrs. Walter Morris, San Antonio, and O. T. Steed, Hamlin; two step-children, Ray Higdon and Mrs. Henry Smith, both of Hamlin; five grandchildren and six step-grandchildren.

Mrs. Earl Davis Dies Saturday At Crowell Home

failing health about four years, since the news of the loss of her son, Ray Davis, on a submarine in the Pacific.

Survivors are the husband, one daughter, Mrs. Gayle Stout, of Fort Worth and one son, Charles Davis, recently home from the Navy. Her father, B. F. Ellis, now of McCamey, resided in Hamlin for many years and was agent for the Orient Railway, was a deacon in the First Baptist church and Sunday School Superintendent. Her mother died about fifteen years ago at Crowell.

Relatives going from Hamlin for the funeral, which was held at the First Baptist Church in Crowell, were Mrs. Albert Moore, Miss Lennie Greenway and Mrs. G. E. Goins of Stamford.

It is appropriate here for the writer to pay tribute to the memory of Mrs. Davis (Faye Ellis, let us say.) She was the first young woman to be employed in the Hamlin Herald. She learned the mysteries of hand-set type in the days when this country was entering the First World

War. She took the place of the printer, Keifer Patterson, who entered the army and lost his life. Faye Ellis Davis was a young woman of sterling character, pleasing personality and efficient and loyal. She emulated all the Christain virtues in her home as a faithful companion and a loving mother.—Bowen Pope.

Hitson HD Club Is Re-organized

The Hitson Home Demonstration Club met in the home of Mrs. P. H. Williams February 4 with nine in attendance. The purpose of this meeting was to reorganize the club. Four members were present and five visitors, who will become members.

New officers were elected as follows: President, Mrs. Morris Jean; Vice-president, Mrs. G. B. Phillips; Secretary-treasurer, Mrs. B. B. Phillips; program chairman, council delegate, Mrs. P. H. Williams; reporter, Mrs. G. W. Huffstutler, and head of marketing committee, Mrs. Archie Jean.

The next meeting will be with Mrs. D. A. Ulmer February 18. All interested ladies are urged to be present.

Mr. and Mrs. B. F. Clemmer and daughter, Miss Rowena Clemmer returned to Meadow Monday after spending a few days here with their sons, Mr. and Mrs. Alton Clemmer and Mr. and Mrs. Buford Clemmer. Miss Clemmer, a native of this community, is operating a modern well-equipped beauty shop in Meadow.

Mr. and Mrs. J. Edward Boaz of Anson and Miss Joyce Culbertson of TWC, Denton, were weekend visitors in the home of Mr. and Mrs. Joe L. Culbertson.

Mrs. Perry Sparks Is Speaker for Beta Sigma Phi

Beta Theta Chapter of Beta Sigma Phi met Thursday evening, February 6, in the home of Mrs. C. F. Butcher. Mrs. Stanley Carmichael, president, held an open discussion concerning various future activities including social affairs, cultural studies and the financial program.

Mrs. Kenneth Parker, secretary, read the minutes of the last meeting. Mrs. Perry Sparks brought a beautiful lesson on "Action." Inspirational for the subject was received from Shakespeare's "Be great in act, as you have been in thought. Suit the action to the word, and the word to the action."

Mrs. Austin Poe was introduced as the new director of Beta Theta.

Many Local Boys Plan to Compete In Annual Show

The Anson High School football field will be the site of the annual Jones County 4-H and FFA Fat Stock Show, an affair jointly sponsored by the Hamlin and Anson Chambers of Commerce, it has been announced by the arrangements committee of Anson. Alternated between the two towns, this year's show at Anson will be held Saturday, February 15. Pens will be built at the field and in case of bad weather, the show will be held in the bus sheds.

A great interest is being shown in the show and a number of Hamlin boys will exhibit their best at Anson. Premiums amounting to \$250, contributed by the Chambers of Commerce in both towns will be awarded to the winners in 17 classes of fat hogs, fat steers, dairy cows and capons, according to County Agent H. C. Stanley, general superintendent.

A total of \$90 will be offered in the Fat Steer section in 17 classes: Class 1, dry lot steers under 285 pounds; Class 2, dry lot steers 285 pounds and over; Class 3, champion dry lot steer.

Class 4, milkfed steers under 825 pounds; Class 5, milkfed steers 825 pounds and over; Class 6, champion milk-fed steer; Class 7, grand champion steer and reserve champion steer.

A total of \$54 will be offered in the fat hogs section:

Class 8, fat barrows and open gilts weighing 200 pounds and over; Class 9, fat barrows and open gilts weighing under 200 pounds; Class 10, grand champion hog and reserve champion hog.

A total of \$12 will be offered in the capons department:

Class 11, single capons; Class 12, capons, 3 in pen; Class 13, grand champion capon and reserve champion capon.

A total of \$60 will be offered in the registered dairy animals department: Class 14, heifers under one year old; Class 15, heifers over one year but under two years which have not calved; Class 16, cows over two years old; Class 17, grand champion and reserve champion.

On ACC Honor Roll

Two McMurry College students from this area were listed on the college honor roll for the first semester. They were Margaret McBride of Hamlin and Hubert Carson of McCaulley. Students must have an average of 90 or better to be on the list, it was said.

10 ways you can help yourself to good telephone service

Telephoning is easy. But more depends on the user than people realize. What you do when making or receiving a call often has a lot to do with how satisfactory that call is. Here are ten suggestions:

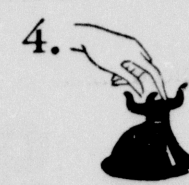

1. Before you call, make sure of the number. If you're not sure of it, look in the telephone directory, and thus avoid wrong numbers.

2. Give the called party time to answer. He or she may be some distance from the telephone. A minute isn't too long.

3. Speak directly into the mouthpiece. About an inch between it and your lips is right for best results.

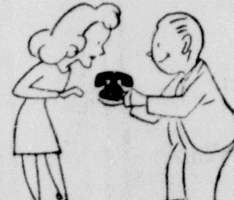

4. Move the switch hook slowly up and down to recall or signal the operator. "Jiggling" the hook rapidly often won't cause a signal to come in and is useless.

5. Replace the receiver carefully when you have finished talking. A receiver partly off the hook puts the whole line out of order.

6. Answer calls promptly. It's courteous to do so and often keeps the caller from hanging up—thinking you're not at home.

7. Identify yourself when you call or answer. Not everyone recognizes you by your voice. Telling who you are saves time and sometimes embarrassment.

8. Space calls on party lines. If you have a series of calls to make, allow a few minutes between each one so others can use the line to call or be called.

9. Keep calls brief on party lines. Other folks on the line will appreciate your thoughtfulness and—who knows—may follow your good example.

10. Avoid calling in busy hours if possible. Switchboards are usually busiest during midmorning and late afternoon.

Mrs. Brodie hits the roof!

No, no, this isn't a new Atom Bomb! It's merely Mrs. Brodie, after a quiet family conference with Mr. Brodie. Mr. B. made a few sharp remarks about their family budget.

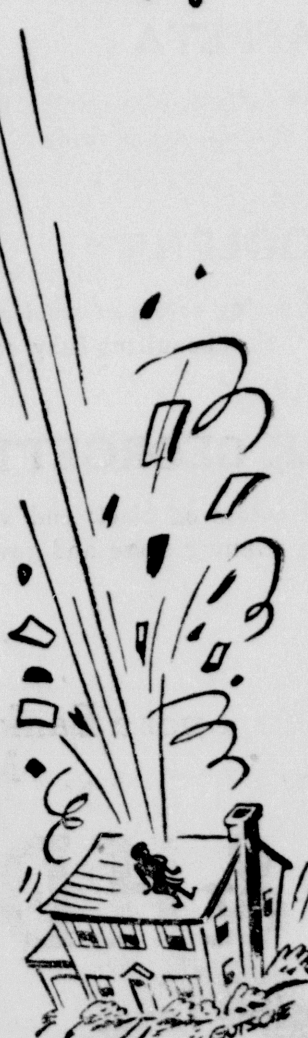

Naturally, Mrs. Brodie hit the roof! And, like the cost of living, her temper kept right on going up and UP!

On the other hand, the cost of electricity, like Mr. Brodie's popularity at home, is going down and DOWN!

The Brodies (and you, too, if yours is an average family) get plenty of electricity for every budget dollar—more than twice as much as 20 years ago!

This domestic bargain took plenty of practical planning and technical skill on the part of your friends and neighbors in this company, under sound business management.

Mrs. Frand Grimes Reviews "There Shall Be No Night"

"There Shall Be No Night", Robert E. Sherwood's third Pulitzer prize winning play, was reviewed by Mrs. Frank Grimes of Abilene at a tea for the Woman's Literary Club, the Junior Literary Club and approximately 200 guests on Friday afternoon at the Baptist Church.

Mrs. Grimes said that "There Shall Be No Night" fulfills the prophecy in "Idiot's Delight", in which Sherwood foretold World War II. The title of the play, taken from the book of Revelations, expresses Sherwood's faith in the coming of a peaceful world, Mrs. Grimes also said.

Guests from Abilene, Anson, Syl-

vester, McCaulley, Rotan, Aspermont, Stamford and Hamlin were greeted by members of the Literary Club.

White gladiolus and Valentine cupids decorated the refreshment table, which was laid with a white maderia cloth with silver appointments. Mrs. Bowen Pope and Mrs. Tarlton Willingham poured coffee. Decorated heart cookies and roasted pecans were served. The Valentine motif was carried out in attractively red and white printed program.

Mrs. O. D. Roland, club president welcomed the guests and presented Miss Janet Bonner, who played Liebestraum.

Mrs. Grimes was introduced as acting head of the Speech Department of McMurry College, a mother, a club woman and one who is outstanding in our section of the country as a book reviewer.

The Alathean Class Enjoys A Valentine Party Monday Night

Members of the Alathean Class and a new class which is being taught by Mrs. W. C. Russell, of the First Baptist Church, were entertained with a Valentine party at the church Monday evening.

Co-hostesses were Mrs. Ernest Lee, Mrs. Cecil Brown, Mrs. Ben Parker, Mrs. B. W. Niedecken and Mrs. W. A. Norris.

Twenty-seven members were present. Interesting games were played.

Attractive refreshments, consisting of ice cream and white cake square decorated with Valentine motif, were served to Mesdames R. A. Crockett (Alathean class teacher), W. C. Russell, M. L. Rhoton, O. G. Harvey, D. D. Shelburne, Tom Vaughn, Edward Gardner, Clifford Stuart, J. T. Hart, Elmo Bellah, Weldon Carter, H. A. Perkins, I. R. Huchingson, A. G. Irwin, C. L. Carroll, W. C. Mrs. Sam Young Dies Friday At Y6 Ranch Home

Mrs. Sam C. Young, 84, died suddenly at her home on the Y6 ranch at 5:15 Friday afternoon.

Mrs. Young was prominent among ranch circles, and she and her late husband had been owners of several ranches in this part of Texas.

She was born Julia Bryan in Falls county October 28, 1862, daughter of Mr. and Mrs. Wash Bryan, also ranch owners. She and Mr. Young came to Abilene in 1882. He died at their Abilene home in 1928. She continued to live there until she moved to the Y6 ranch, which she had owned for 46 years.

She is survived by one daughter, Mrs. Fay Young Morton, manager of the ranch, one brother, W. J. Bryan of Abilene; two grand children, three great-grandchildren; two nephews and two nieces.

Mrs. Roy Carmichael is able to be out again after having been ill with asthma for several weeks.

Last Rites Saturday For J. W. Sanford, 85 Long-time Resident

Final rites for J. W. Sanford, 84, were conducted at the local Church of Christ Saturday February 1, at 3:30 with J. Cleo Scott, minister officiating assisted by Mardell Lynch former minister of the local church.

Mr. Sanford passed away January 30 at 10:40 in the hospital at Rotan, where he had been under treatment for the previous two weeks.

He was born March 25, 1862 in Alabama. He was married to Ann Shephard, who died in 1900 after the family moved to Texas to Burnett county. To this union, were born five children, three daughters (deceased) and two sons.

In 1926, he was married to Mrs. Willie Golston at Jayton, Texas.

He was a carpenter by trade, but in later years after moving to Hamlin, he worked for his son, Dode Sanford, who operated a service station here for several years.

He is survived by his wife, Mrs. Willie Sanford, Hamlin; two sons, Dode Sanford, Abilene, and Will Sanford, Llano; one step-son, Roy Golston, Hamlin; fourteen grandchildren and one great-grandchild.

One son, Will Sanford, was unable to attend the funeral services for his father, because of the death of his wife the day of the final rites.

R. M. Hash of Sherman was here last week for a visit with his daughter, Mrs. Ray Moss, in the Plainview community, and he and Mrs. Moss visited with Mr. and Mrs. Donald Bryant and family Tuesday afternoon.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

How women and girls may get wanted relief from functional periodic pain

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardul. If it helps, you'll be glad you did.

POT-SHOTS FROM McCAULLEY

BY GEO DARDEN

McCauley basket ball girls and boys win five games out of six at Sylvester last week end. On last Friday night Coaches Webb and Mrs. Lawlis motored over to Sylvester with three teams, the boys A team, girls A team and girls B team winning all three games from the fast teams representing Sylvester high school. On Saturday night, McCauley boys A team defeated Roby boys to the tune of 48 to 6, McCauley B string boys defeated the Roby B string by the narrow margin of 12 to 10 and then came the heart breaking game of the night when the McCauley girls played Roby for county championship and losing by a score of 11 to 25—but there is always a silver lining in every dark cloud—as McCauley girls won 2nd place in county and a beautiful trophy and Billie Joyce Cox, guard for McCauley and Margaret Darden forward made all county team. Our boys played at Sweetwater on Thursday night of this week in district finals we are routin and tooting for the boys from the old home town.

Not only has the scribe been considerably "gripped" about the scrambling of lines in our column for the past two months but the subscribers are also complaining. Items so scrambled doesn't make good sense we admit, and hope that time will erase the difficulty.

Mrs. W. M. Keller has returned from Denver, Colo., where she has been at the bedside of a nephew who is quite ill.

A big feed, sponsored by the members of McCauley Masonic lodge and honoring George Washington's birthday will take place at the Sylvester high school lunch room on the night of February 28th.

S. E. Miers is visiting for a week with daughter and family Mr. and Mrs. Elvis Eivens in Ft. Worth.

A bridal shower, honoring Mrs. Leo Parker in the home of Mrs. Ross Gruben is scheduled for 3 p. m. on Thursday of this week.

The scribe and family and Bynum Wayne Miers visited Sunday in the

home of Georges parents Mr. and Mrs. M. A. Darden at Girard.

Ladies from McCauley attending the Book Review at the Hamlin Baptist church given by Mrs. Frank Grimes last week were. Mrs. Leo McCollum, Mrs. Geo. Darden, Mrs. L. H. Boyd, Mrs. Frank Jackson, Mrs. Albert Gallaway, Jr. and C. D. Jones.

(Due to lack of space—Pot-shots comments will be carried over until next week.)

Bank Employees Go to District Meeting

Tate May, president of the Farmers & Merchants National Bank of Hamlin, accompanied by Clyde Angel cashier and Mrs. Angel, Miss Lennie Greenway, assistant cashier and Mrs. Faye Atkinson, secretary, were in Dallas Wednesday to attend the fifth district meeting of the Taxes Bankers Association.

He returned Thursday with the exception of Mr. May who will make a 10-day trip with the "Flying Squadron" a group of bankers, including prominent Texas and out-of-state bankers who will visit other district meetings in San Antonio, Waco, Austin, Houston, San Angelo and Fort Worth. The group travels by train and the trip is very worthwhile. May stated.

Rev. W. K. Horn Preaches at Nienda

Rev. W. K. Horn of Anson will preach at the Nienda Baptist Church next Sunday morning at 11 o'clock, it was announced by R. P. Williams.

Rev. Horn will fill the pulpit every 1st and 3rd Sunday. The public is invited to attend.
